**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a Sonic customer and am very happy with the service they provide and oppose any measure that would unfairly affect their ability to compete with the large carriers. I have used them (ATT) in the past and have been very disappointed, particularly with their customer service. Sonic has been great and should not be impeded through deregulation from competing on a level playing field.

Thank you for doing the right thing.
